MILBON VOLUME MIST "VOLUME THAT WON'T LET YOU DOWN"

Following the successful launch of Elujuda in February, we are excited to announce the launch of our very first, groundbreaking volumizing spray – **Milbon Volume Mist**. Masterfully infused with silk protein and keratin protein, Milbon Volume Mist gives extraordinary volume, yet without any product feel. And the protein-lifted volume is so durable that our hair model, Dasha, personally testified: "My hair remained full and bouncy even after my Bikram Yoga lesson." Please contact your account executive or call (800) 431-8930 for more information on this incredible new addition.
