- Liscio Crystal Cream Hands-On Seminar is available:

Jan. 13, Feb. 3, March 10

Milbon's Liscio Crystal System adds new style to straightening. Now you can truly change the lives of your curly, kinky-haired clients. Because Milbon's new Liscio Crystal Straightening service leaves hair so soft and shiny, clients can style their hair themselves - and finally have the hair style they've always wanted!

Educated, skilled stylists can ensure that happy clients keep those styles they love today and for years to come. They know how to best use Liscio's products, so they can repeat the service time after time, certain that their clients hair will always stay healthy. Milbon offers education classes that teach you all the techniques you need to straighten hair with confidence.

NEW Technologies behind Liscio Crystal Cream.

1. High Penetration Lamella Liquid Crystal Cream penetrate deeper and more evenly into hair thus preventing damages on cuticle layers.
2. Leaves Straightened Hair softer by retaining moisture in the hair.
3. Considerably reduces hair's unpleasant sulfur odor.
4. Combination veils for healthy shine.

More styling options

New! Nigelle ER - Shampoo & Treatment

The "MUST HAVE" shampoo & treatment for Thermally Reconditioned and Processed hair. Nigelle ER Shampoo & Treatment's advanced formulas keep processed hair glossy and in good repair so it's never coarse or dull. They even help smooth out curly new growth, leaving it silky and controllable between straightenings. From roots to ends, hair always looks and feels naturally healthy.

NEW Technologies behind Nigelle ER:

1. High Penetration cholesterol in shampoo repair CMC to retain moisture and create softness.
2. Aqua Veil to smooth the cuticle to lock in Moisture and bring out shine.

New! Milbon Straight Liscio Crystal Cream Basic Seminar

Prerequisites: Must be a licensed hairstylist, with suggested 2-3 years experience.

Course Objective: To learn the newest Milbon Straight Liscio application techniques and procedures using the Crystal Cream type Liscio and how to protect and strengthen hair with the Noiraudepro protein treatment. Best for clients who prefer super shiny, manageable straight hair.

Course Outline: In addition to learning about the Milbon Straight Liscio products and step by step procedures, you will learn hair chemistry, and client consultation techniques. Milbon educators will demonstrate a full Liscio service on a live model. A Certificate will be given upon completion of the course.

What Makes It Different: This new and improved formula does not contain any sulfur smell! Also, the highly concentrated formula provides deeper penetration and even distribution into the hair without damaging the cuticle.
